## Profile Summary

🎓 Passionate and Curious Computer Science Student | Currently in 2nd Year at Arya College of Engineering.

Actively mastering Full Stack Web Development (MERN) with a strong focus on building real-world, industry-level projects.

Driven by curiosity and creativity, I enjoy turning ideas into interactive, user-friendly web applications.

Also exploring Python for future ventures into Data Science.

Always ready to learn, build, and collaborate—one line of code at a time.

## Education
